

Hunter and Emily,

Words cannot express the appreciation I have for the two of you. I had a vision for my daughters wedding reception and I just knew something was either going to go wrong, be out of place or not as I imagined it to look...I WAS SO WRONG!

The two of you did a fantastic job and everything was more beautiful then I imagined. The decor was awesome and Emily kept us right on track with the timeline of events to take place.

The food was excellent, the staff went out of there way to accommodate our guest and it is now three days later and I'm still getting phone calls on what a wonderful reception it was. In the few days before the wedding I had spoken with you on several occasions and you both were quick to assure me (nervous mother) everything was going to be fine and it was. I will highly recommend your facilities to anyone in need.

Once again thank you!

Paulette G.

Hunter,

I just wanted to let you know how fantastic Julie and Josh's wedding and reception was. I got so many compliments, people saying that is exactly the kind of wedding they would have, if they were married again. The food was exactly as ordered and Emily and her staff were invisible, especially when we needed something. The staff had a lot of last minute changes to handle and guests remarked how quickly the room was transformed...and "how did they do that?" Emily and Kristen anticipated our needs and were fully prepared.

They were wonderful!

Hunter, Emily and John John,

You guys did such an amazing job on our reception. We are so thankful for all that you did to make our dreams come true. I know I must have been the most difficult and picky bride to work with and I am so appreciative that you made all my ideas truly come to life. Everyone thought you all did an amazing job! We are eternally grateful!

Thanks you!

Love, Amy & Clint

Hunter,

Thank you very much for all your help with our wedding. Rhett and I had a lovely time and thought it was worth every penny for how we were treated and how smoothly everything went. We will definitely tell all our friends about the great service. Hope all goes well with your wedding.

Michelle W.

Hunter & Carlos,

We want to reiterate how truly grateful we are for the role you guys played in the most important day of our lives. It was great to work with a team who we already had such a good relationship with.

Hunter-we specifically want to thank you for doing such a phenomenal job. You were always where we needed you to be, even if that meant being in two places at the same time! We have already had multiple guests ask for contract information for the Terrace Club because they were so impressed by both the venue and how well you ran the event. So thanks again, and we hope to see you guys again soon at someone else's wedding when we can sit back and take it all in as "Guests".

Best,
Saneel & Whitney

Dear Hunter & The Terrace Club,

Thank you so much for the best wedding that we could have ever dreamed of. Everything was so perfect. I apologize for the tardiness of this note, but, we just wanted to say thank you for doing a wonderful job. We had so many compliments and everyone enjoyed themselves. You made everything go so smoothly for us and everyone involved. We could not have had a more perfect wedding for the two of us. We love looking back at all the pictures and remembering our special day at the Terrace Club. We would recommend you to everyone.

Dear Hunter and T.C. Staff,

I just wanted to say thanks you for all that you did to make our wedding so beautiful, fun and almost effortless. You would not believe the compliments I' ve received since then, and so much is due to you. The place was set up beautifully, the service was excellent, the food was delicious, and most of all, you were so nice to us and attentive. Your experience and caring really make an impact. Thank you again and take care. It was a night we will never forget.

Sincerely,

Abby and Sean D.

.Dear Hunter & Joanna,

I just wanted to send both of you a quick note to let you know how much we truly appreciate all your help in creating the most perfect wedding for us. Everything was so beautiful and well prepared, and we did not have a single worry the entire day. We both felt the Terrace Club went above and beyond to make the event so special. Since the wedding, we' ve received tons of compliments from family and friends (the bridesmaids were also very impressed), and I have one friend who even commented that she would seriously consider having her wedding there when she gets ready to plan her own wedding. Thanks again from the both of us,

Ali & Matt F.
